WELCOME TO UNITED PHYSICAL THERAPY

- Please check in when you arrive so that you will not wait unnecessarily.
- It is your responsibility to notify your insurance company that you will be attending Physical therapy. We recommend that you also inquire about your carrier's specific coverage. Any charges not covered by insurance will be your financial responsibility. United Physical Therapy is not responsible for tracking insurance benefits.

For Medicare & all other patients: Certain supplies that may benefit you in therapy are considered non-essential items by Medicare, Medicaid and many insurance carriers. If supplies are suggested for your benefit, they may be purchased by you. We will bill your insurance company for them, if they are covered by your plan you will be refunded any funds that you paid us.

- VA patients must have pre-authorization by VA before treatment can begin. The patient must contact VA authorization and have them fax us authorization for treatment.
- Thank you for your cooperation!

I do understand and agree with the above guidelines.
